DON'T LET YOUR LIVER GET LAZY.

Dodson's Liver Tonic Will Keep It Working and Make You Feel Well and Clean—No Bad After-Effects.

If you have allowed your liver of calomel to keep you from tuning up your liver when it gets a little sluggish or lazy—try Dodson's Liver Tonic, and note how quickly and harmlessly it starts the liver and relieves constipation and bilious attacks.

When you take Dodson's Liver Tonic, you do not have to stay in the house all day. None of the weakening and harmful after-effects of calomel follow its use. Dodson's Liver Tonic is a mild, pleasant vegetable liquid that cannot hurt either children or grown people. Yet it easily overcomes the most stubborn and inactive liver without making you quit eating or working.

These are not just claims, Leller's Drug Store backs up every one of these statements and agrees to refund the price of Dodson's Liver Tonic with a smile to any person who pays his 50 cents for a bottle and isn't satisfied that he got his money's worth.

Imitations of Dodson's Liver Tonic are another proof that it is a good thing. Nobody ever imitates a bad remedy. Be sure you get the genuine Dodson's Liver Tonic—the kind that is guaranteed. (Advertisement.)
